Free collection from 500 kg for businesses in Mombasa County (2,000 kg beyond it), weighed and paid for by the kilogram, with a weight receipt for every collection.

Our services

SERVICE	WHAT IS INCLUDED	FOR	TERMS
Free collection for businesses	We collect paper, cartons, sacks, polythene and scrap metal from your premises, weigh each material and pay you for every kilogram.	Offices, warehouses, factories, schools and other businesses	Free from 500 kg within Mombasa County and from 2,000 kg outside it; booked by our office for each request.
Yard purchase	Bring material to our Bamburi yard. We weigh it at the gate, our office prices it, and we pay by M-Pesa or cash.	Collectors and smaller businesses	During yard hours. Regular sellers can register as suppliers.
Confidential paper destruction	Files, records and printouts are destroyed, and we issue a certificate of destruction.	Any organisation holding confidential paper	Ask for it when you book a collection.
Supply of sorted and baled material	We supply recyclers with sorted and baled material, with each load settled on the weighbridge.	Recyclers	By arrangement with our office.
Solar sizing and site visits	An online estimate on 19 years of satellite sunshine data for the town nearest your site, then a site visit before any quote. Installation arranged anywhere in Kenya.	Homes and businesses	A quotation follows the site visit.
